Subject: Violation of provisions of Mineral Conservation and Development Rules, 2017, in respect of your Komorrah limestone mine over an extent of 240.55 Ha. in East Khasi Hills district of Meghalaya.

Sir,

On perusal of the office records, the following provisions of MCDR, 2017 were found violated in your above mine.

Rule Number	Nature of violations observed
11(4): The holder of a mining lease shall submit the mining plan to the competent authority for review atleast 180 days before the expiry of 5 years period for which it was approved on the last occasion, for mining operations for a period of 5 subsequent years.	The existing review of mining plan is valid upto 31.3.2018 and the next review was due for submission on 2.10.17. After issue of violation cum show cause notice from this office, the draft review of mining plan was submitted belatedely on 15.12.2017. The submitted draft was not approved vide letter dated 25.1.2018 from this office, due to a number of deficiencies in the submitted document. Again, till date no draft review of mining plan has been re-submitted to this office for its perusal.

02. In this connection, it is brought to your notice that the above violations constitute an offence punishable under Rule 62 of Mineral Conservation and Development Rules, 2017.
03. The mining operations can be suspended under rule 11(2), if compliance of rule 11(1) is not found satisfactory.
04. You are, therefore, directed to show cause within a period of 30 days from the date of issue of this letter, as to why you should not be prosecuted for the above offences.
05. Please note that no further notice will be given to you in this regard

Yours faithfully,

1/2/2018

(PK Bhattacharjee)
Regional Controller of Mines
