Subject: Approval of Mining Plan in respect of your Lambui Proposed Mining Lease Area for Limestone over an area of 4.85 Ha. situated in Ukhrul District of Manipur State

Reference : 1) Your letter No. IBM/1 dtd. 2.2.2019
2) This office letter of even No. dated 14.2.2019 seeking comments on the draft Mining Plan from Director of Trade, Commerce & Industries, Govt. of Manipur.
3) Letter No. D(5)-148/IND/2012 dtd. 1.3.2019 from Director of Trade, Commerce & Industries, Govt. of Manipur.

Sir,

In exercise of the powers conferred by clause (b) of sub-section (2) of section 5 of the Mines & Minerals (Development & Regulation) Act, 1957 and clause (1) of Rule 16 of the Minerals (Other than Atomic and Hydro Carbons Energy Minerals) Concession Rules, 2016 read with Government of India Order No.S.O.445(E) dated 28.04.1987 and S.O. 1857(E) dated 18th May, 2016; you are hereby informed that the Mining Plan submitted by you is **'NOT APPROVED'** for the following reasons:-

1. On the basis of site inspection carried out by Shri. SK Mohapatra, SMG on dtd. 6.3.2019, it is revealed that the boundary co-ordinates of the area as furnished in the mining plan document along-with its relevant plans differ from the observed ground field position.
2. The lessee has stated that the grant area is a non-forest land whereas the State Govt. has indicated it to be partly unclassified forest land. The submitted Mining plan is for an area of 4.58 ha. where-as the grant area as per the State Govt. letter dtd. 11.9.2018 is of 4.85 ha.

Any further submission made in this regard will be considered as a fresh draft submission. However, an authenticated ML grant area map duly certified by the State Govt. needs to be submitted at that instance.

Yours faithfully,

(PK Bhattarjee)
Regional Controller of Mines
