

INSPECTION REPORT CUM SCRUTINY COMMENTS ON MODIFIED MINING PLAN OF NEW JAMDAPUR MANGANESE MINE OF M/S ADITYA MINERALS PRIVATE LIMITED SPREAD OVER AN AREA OF 93.17 HECTRES IN JAMDAPUR VILLAGE, ADILABAD MANDAL AND DISTRICT IN TELEGANA STATE

Date of Inspection: 7.5.2019

1. In introduction chapter, the details of the mine viz., status of working/ non working, EC status, the reasons for submission of the modified document should be furnished.
2. In para 3.2, the reasons for submission of Modified document has not been spelt out. The same should be elaborated by substantiating valid reason with supporting documents if any.
3. In para 3.3(1), under review of exploration, development and production, afforestation, reclamation and rehabilitation, justification for deviation should be furnished.
4. In tables 5 to 7, the data furnished for the year 2015-16 is incorrect as there is no proposal for the year 2015-16, which was a lapse period. Accordingly, the data furnished for the year 2016-17 to 2018-19 needs to be corrected.
5. In para 1.0 (i), in future programme of exploration, 27 bore holes were proposed, but the type of bore hole is not specified. As per Rule 12(4) of MCDR, 2017, in case of existing mining leases detailed exploration (G1 level) over the entire potentially mineralised area under the mining lease shall be carried out within a period of five years from the date of commencement of these rules. It is mentioned that location of the proposed trial pits are shown in plate.4 instead of proposed bore holes. Please make the correction.
6. In para 2.0 (a) , it is mentioned that there are three number of existing quarries in the lease area whereas in table-16, details of five quarries was furnished, which is also confirmed with field observation. Please make the correction.
7. In table-17, it is stated that development proposal for the year 2018-19 instead of 2019-20 as the year 2018-19 is already lapsed.
8. In Page No 25, Reclamation Para, Period 2016-20 should be replaced as 2019-20
9. In page No.26, it is stated that the exploration will be completed in balance period of first conceptual block (2019-20), which is incorrect as the year 2019-20 is the fifth year of the current five year block period.
10. In para 4.0(d) it is stated that no sub grade is generated in the mine whereas in para 5.0(e) it is stated that some sub grade mineral can be used for blending purpose, which is contradictory. Please furnish the correct information.
11. In para 8.0, Rule mentioned against Progressive Mine Closure Plan is wrong. The same should be corrected as Rule 23 of MCDR 2017.
12. A requisite financial assurance in the form of Bank Guarantee for the area put to use for mining and allied activities needs to be submitted.

Annexures :

1. Consent letter /undertaking /Certificates from the applicant should be submitted on Company's Original letter head duly dated and signed.
2. The validity of NABL certificate issued to SGS India Pvt.Ltd. has been expired. The valid certificate should be produced.

Contd on page 2

Plates

1. Mention the scale of each plate in Index.
2. In Key Plan, flow direction of river/ nala should be shown. Predominant wind direction should be shown at the top right of the Key plan.
3. In Development Plan, the development proposal marked in the index should be corrected as 2019-20 instead of 2018-19.
4. In Reclamation Plan, the Reclamation proposal marked in the index should be corrected as 2019-20 instead of 2018-19.
5. In Environmental plan, existing mines/surficial features that are existing within 500 m zone are to be demarcated. The predominant wind direction to be marked at the top right of the plan.
6. All the plans and sections should be signed by the Lessee.
7. It is observed in the field that high tension power line is passing through the western side of the lease area and the canal passing through North East side of ML area. Hence 50m statutory barrier on either side of high tension power line and canal should be marked on relevant plans. The power line be shown with the conventional symbol.

Sub: Submission of Modified Mining Plan in respect of New Jamdapur Manganese Mine of M/S Aditya Minerals (P) Ltd. an extent of 93.17 Hc. in Sy.nos.25 to 32,34,35,38 to 40 & 42 of Jamdapur Village, Adilabad (Mandal and District, T.S. Submitted under Rule 17(3) of MCR, 2016.

Ref: Your letter no.Ref.No.AMPL/2019-20/13 dated 29.04.2019.
Sir,

With reference to your letter cited above on the subject, inspection of the mine was carried out on 07.05.2019 by Smt.Ch.Suseela, AMG, accompanied by Sri K.U.Jenekar, Qualified person and Sri Mukesh Kumar Lodha, Lessee's representative and found certain deficiencies in the form of scrutiny comments as given in Annexure. The same scrutiny comments have been forwarded to you and your Qualified Person on e.mail ids i.e., ampl_aurfpl_adb@yahoo.com and kjenekar_rqp@yahoo.com.

02. You are advised to attend these deficiencies as per the annexure and resubmit the document, complete in all respects, in three bound copies along with soft copy in the form of CD (2Nos.). In this regard you are directed to submit the Financial Assurance in the form of Bank Guarantee for the area put on use for Mining and allied activities @ Rs.Two lakhs/hectare for category 'B' mines provided that the minimum amount shall be Rs.Five lakhs as per the provision of Rule 27(1) of MCDR, 2017 at the time of submission of final copies of the document within 15 (fifteen) days from the date of issue of this letter, failing which the document will be disposed without giving any further opportunity.

03. The para-wise clarification & the manner in which the deficiencies are attended should be given while forwarding modified document.

Yours faithfully,

(Shailendra Kumar)
Regional Controller of Mines

Copy to Sri K.U.Jenekar, Q.P. for information and necessary action.
