

Scrutiny remarks on Review of mining plan and PMCP for Gudalur Limestone mine over 3.36 ha. in Gudalur village, Kulithalai taluk, Karur district of Sri Mahamuni Mining Co.

General:

1. The lease was granted in favour of Mahamuni mining company with Smt. G. Revathi as Managing Partner, but, it has been observed that Sri M. Jayaprakasam has signed the present document. Hence, the changes in the partnership firm right from the beginning may be spelt out in the document with supporting evidences.
2. Page no-24: It is stated that “no proposal for backfilling”, whereas in conceptual plan and sections, backfilling is shown which may be checked and modified.
3. Page-18: Table no-27- Year wise development and production schedules are not tallying with plan and sections for the year 2017-18 which may be checked and modified.
4. Page 24: Para 3(b) - The statement furnished is confusing which may be checked & modified.
5. Copies of environmental clearance & pollution clearance obtained may be submitted.

Plates:

1. All proposals should be within lease area, leaving 7.5 m. all along the lease boundary.
2. Plate no-II: Lease plan duly authenticated by State Government authority should be submitted. The location of ground control point-1 (GCP-1) is incorrect. This may be checked and modified.
3. Plate no-III: Surface plan: During the field visit, power lines have been observed towards northern side (6 poles) along the lease boundary; this may be checked and modified.
4. Plate no-IV& IVA: Geological plan and sections: - The dip & strike shown in pit No-1 & 2 differs which may be checked and corrected. In view of the above, after leaving 50m safety distance for electrical line on north side, the reserves and resources may be re-estimated.
5. Plate No-V: Year wise development and production plans & sections: Year 2017-18 year wise production schedules are not tallying with plan & sections (XY-CD).
