11824

File No. MP/Satna/Lst-66 **383-385** Mine Code: 38MPR35113

Date: 10/02/2020

To,
Shri Kailash Chandra Jhanwar
Ultratech Cement Ltd.
B Wing Ahura Centre
2nd Floor, Mahakali Caves Road
Andheri (E), Mumbai 400093

Subject: Violation of provisions of Mineral Conservation and Development Rules, 2017, in respect to Tiloura Limestone Mine over an extent of 193.252 hect. in Satna District of M.P.

Sir,
Undersigned has inspected your mine in the presence of Mines officials Shri Sourabh Kumar Jain and Shri Akhilesh Geologist on 15/01/2020 for the submitted draft RMP and for validation of star rating template for the RY 2018-19.

The inspection was done with the referene to the approved scheme of mining above mentioned mine vide letter No. MP/Satna/Limestone/MPLN/R-24/2014-15, dated 01/05/2015, incorporating proposals from the year 2015-16 to 2019-20. During the inspection it was observed that mining operations in the mine was not carried out in accordance with the proposals given in the approved Scheme of Mining Plan.

The extents of deviation observed during inspection are as under:

Rule No	Nature of violation observed in detail
Rule 11(1)	No holder of a mining lease shall commence or carry out mining operations in any area except in accordance with the mining plan approved, modified or reviewed by the Indian Bureau of Mines or prepared and certified in accordance with the system established by the State Government. <ul style="list-style-type: none">➤ It was observed that mining activity in the ML is not as per the given proposal in terms of development and proposed production.➤ In the year 2018-19 it was proposed to produced 500000 metric tonnes of limestone from the central block fo the ML, however in the year 2018-19 only 468 tonnes fo limestone were produced and reported in the AR.➤ In the year 2018-19 there was proposal for removal of 46000-cubic meter OB and 116140-cubic meter of waste in the reporting year, which is also lagging behind from the proposal. Vise versa propsed development is also not achived with the given proposal of development for the year 2018-19.
Rule 26(2)	The holder of mining lease shall submit to the competent authority a yearly report as per the format specified by the Indian Bureau of Mines, before 1 st day of July every year setting forth the extent of protective and rehabilitative works carried out as envisaged in the approved mine closure plan, and if there is any deviation, reasons thereof. <ul style="list-style-type: none">➤ As per Rule 26 lessee has not submitted annual PMCP report for the reporting year (2018-19).
Rule 33	The holder of a mining lease shall, on or before the 30th day of June every year submit to the authorised officer, as the case may be, and the State Government, a digital copy along with a print copy of the surface geological plans and sections maintained under rule 32 of MCDR 2017. <ul style="list-style-type: none">➤ As per Rule 33 lessee has not submitted annual PMCP report for the reporting year (2018-19).
Rule 50	Every holder of a prospecting licence-cum-mining lease or a mining lease who transfers the mineral concession or any right, title or interest thereof, in accordance with the provisions of the Act or the rules made thereunder, to any other person, shall, within thirty days of the date of such transfer, send an

o/c

intimation thereof in Form N of the Schedule to the Controller General and the authorised officer, as the case may be.

- As per discussion in the field and as per submitted RMP it is observed that ML has been transferred to M/s Ultratech Cement Ltd from M/s Maihar Cement (Prop. Century Textile and Industries Ltd). However, no such information received in the office of the regional controller of the mines in prescribed form.

Rule 55 For the purpose of carrying out reconnaissance, prospecting or mining operations in accordance with these rules, –

(a) every holder of a mining lease shall employ, in case of–

- (i) category 'A' mines, a whole-time mining engineer and a geologist;
- (ii) category 'B' mines, a part-time mining engineer and a part-time geologist:

Provided that in the case of fully mechanised category 'A' mines, the mining engineers and geologists shall have minimum five years of professional experience of working in a supervisory capacity in the field of mining.

- Information regarding the full-time geologist and mining engineer appointed in the ML, has not submitted in the office.

-
2. In this connection, it is brought to your notice that the above violations constitute an offence punishable under Rule 62 of Mineral Conservation and Development Rules, 2017.
 3. The mining operations can be suspended under the rule 11(2) of MCDR-2017, if compliance of rule 11(1) of MCDR-2017 is not found satisfactory.
 4. You are advised to rectify the above violations immediately and intimate the position to this office within 45 (Forty-Five) days from the date of issue of this letter.

Yours faithfully,

DEEPAK SHARMA
Senior Mining Geologist
Indian Bureau of Mines

Copy forwarded for information to:

- 1) The Controller of Mines (CZ), Indian Bureau of Mines, Nagpur.
- 2) The Director, Directorate of Geology and Mining, Khanij Bhawan 29-A Arera Hills Bhopal M.P.
