| 13(1) | The mining operations in the lease area are not carried out as per approved modified mining plan and following deviations are observed during inspection. a) It was proposed in Para 4.1 & plate 5 to drill 12 boreholes each during 2012-13 and 2013-14. It is observed during inspection that you have drilled 10 boreholes and 4 boreholes each during 2012-13 and 2013-14 respectively. b) It was proposed in Para 6.1 & plate 7 to dump the waste material towards eastern side of lease and northern side of pit during 2012-13 and 2013-14. It is observed during inspection that waste material is actually backfilled in the mined out Patni pit located towards eastern side of lease and another dump towards northern side of pit & lease is not made as per proposal. |
