Office of the Regional Controller of Mines

File No.MP/KATNI/LST-1522597 Mine Code: 38MPR18092

Date: 23/11/2017

To,

Shree Kishore Kumar
M/s Shree Kamal Lime Industries
Station Road
Katni 483501
Madhya Pradesh

Subject: Violation of provisions of Mineral Conservation and Development Rules, 2017, in respect of your Chandan Limestone mine over an extent of 7.205 hect. in Katni District of Madhya Pradesh.

Sir,

The following provisions of the Mineral Conservation and Development Rules, 2017 were found violated in your above mentioned mine during the inspection on 08/11/2017 by undersigned and ACOM in the presence of the Shri I Dawande (QP), Shri Rishi Mishra (representative of owner).

Rule No	Nature of violation observed in detail
Rule (35) (2)	Every holder of a mining lease shall monitor his mining and allied activities as per the notified template of star rating in the format prescribed in this behalf by the Indian Bureau of Mines from time to time, and shall submit online its self- assessment report before the 1st day of July every year for the previous financial year, alongwith the soft copy (in the standard format), of high resolution satellite images obtained from CARTOSAT-2 satellite LISS-IV sensor on the scale of cadastral map, as on the 31st day of March for that financial year, covering the mining lease and an area of two kilometres from the lease boundary, to the Regional Controller or the authorised officer of the Indian Bureau of Mines. <i>At the time of inspection it was observed that lessee has not been submitted the online self- assessment report for year 2016-17 in respect of chandan 7.205 hect lease.</i>
Rule (47) Notice of shaft sinking and boreholes.	–The holder of a mining lease or the holder of a prospecting licence or prospecting license cum mining lease shall send an intimation in Form I of the Schedule to the authorised officer, as the case may be, within fifteen days after the commencement of any of the following operations, namely:– (a) the sinking of trial shaft or borehole to a depth exceeding ten meters from the surface; or (b) the extension of an existing shaft or borehole to a depth exceeding ten meters; or (c) the sinking of a new shaft or boreholes commencing from underground workings: Provided that the authorised officer, as the case may be, may permit such intimation to be given collectively within such extended period as may be specified by him.

At the time of inspection it is observed that the lessee has drilled 5 boreholes in the lease area. No intimation of drilling the boreholes in FORM-I has been submitted at this office.

Rule (48) Records of shafts and boreholes.-(1) The holder of a mining lease or the holder of a prospecting licence or prospecting license-cum-mining lease shall keep a record in Form-J of all shafts or boreholes and shall retain such records and preserve the samples of the strata passed through for a period of not less than twelve months after the completion of the work or abandonment thereof:

Provided that the records of boreholes and shafts exceeding one hundred metres length shall not be destroyed except with the prior approval of the authorised officer, as the case may be.

As per the Rule 47 of MCDR 2017, lessee has to submit Form-J after the completion of the work or abandonment.

2. In this connection, it is brought to your notice that the above violations constitute an offence punishable under Rule 62 of Mineral Conservation and Development Rules, 2017.

3. You are advised to rectify the above violations immediately and intimate the position to this office within 45 (Forty Five) days from the date of issue of this letter.

o/c

Yours faithfully

D. Sharma
