

Scrutiny comments on examination of Review of Mining plan of Uthappanaickanur Limestone mine, over an area of 1.21.5 hect in village – Uthappanaickanur, Taluk & District – Madurai, submitted by The M/s Suriya Industrial Mineral (Date of Inspection-20/11/2019)

(Cat 'B' / non-captive/Non-Forest) Mine code-38TMN06015

- 1) Page-4-Table-2- The date of expiry in table -2 should be changed as per MMDR(amended)Act-2015.
- 2) Page-8 para-3.1- Row containing present ROMP should be removed since it is under process.
- 3) Page-10- para3.3-iv- It has been mentioned that applicant has agreed to do plantation in consultation with the Land owner but it is mandatory to carry out afforestation under PMCP. Hence the text should be corrected.
- 4) Page-25-table7B- in development quantity Topsoil has been calculated whereas during field visit no Topsoil were found hence instead of topsoil Ob should be calculated and dumping should be given.
- 5) Page-9 para-(ii) – The Reserve during the last approved scheme should be mention in table-5.
- 6) Page-31 table-10 & 10 A- Ob should be mentioned instead of topsoil.
- 7) Page-47 to 51- table-14-18- The actual column should be kept blank.
- 8) Page-64- Ob should be mentioned instead of topsoil.
- 9)

Plates:- Plates:-

- 1) Plate VI & VI-A to VI D- The OB & Topsoil Dump is in the range of newly erected power lines. Hence it should be relocated and should be dumped as per lease deed.
- 2) Plate-VII- the section line along AB is Not showing the dumps.
- 3) Plate-X- The Conceptual plan should be changed as per previous scrutiny comment.
- 4) Plate- XII- The reclamation Plan should be changed as per previous scrutiny comments.

Annexures:-

- 1)All reserve calculation and production & development (year wise) should be given in Excel sheet in CD.
- 2)All Annexure should be marked with different color paper with Annexure number written on it.
