Subject: Comments/Inputs on Star Rating Template

Sir,

As you are aware, the Star Rating of Mines was launched in the year 2016. It has been almost 7 years now, and Indian Bureau of Mines intends to update the system in line with the recent changes in the regulatory framework. IBM proposes to invite comments/inputs from all the stakeholders to update/overhaul the system. Accordingly, you are requested to furnish your very specific and pointed comments/inputs against each item of the modules of the Star Rating template/format, within a period of 15 days from the date of issue of this letter.

Your inputs are of great significance and will help in evolving a smarter, better and widely acceptable module in line with the recent regulatory changes. Therefore, it is expected that you will be able to submit your comments within the prescribed time limit. You are requested to submit your comments on [ccom@ibm.gov.in](mailto:ccom@ibm.gov.in). Expecting an early response.

Yours faithfully

  
(P.N.Sharma)

Chief Controller of Mines (I/c)
