Subject: Violation of provisions of MCDR 2017 in respect of Kadathi Manganese Mine (ML No. 1616) over an area of 2.02 Ha (as per Lease deed) Kadathi Village, Harappanhalli taluka, Vijayanagara District of Karnataka State.

Sir,

The following provisions of the Mineral Conservation and Development Rules, 2017 were found violated in your above mine during inspection on 01/08/2023 by the undersigned and Shri Rohita Sethi, Asst. Mining Engineer in presence of Shri B. Arjun, Managing Partner, Shri Jagadish Vyas, Mining Engineer and other mining officials:

Rules	Nature of Violations observed
11(1)	The Review and Updation of Mining Plan has been approved by IBM vide letter no. 279/933/2006/BNG dated 06/01/2021 for the period of 2021-22 to 2024-25 (Up to 14/02/2025): The deviations observed in mining operation vis-à-vis the approved document are given below: It was observed during site inspection that the benches have not been developed as per the proposed dimensions of 6m height within the co-ordinates N1620320 to N1620263 and E589509 to E589561 and mining has been proposed to be carried out up to 598 mRL during the year 2022-23, but it was observed that though mining has been carried out below the proposed mRL (586m), total handling of material seems less including production and the stripping ratio is not justifying with work done.
31 (4)	The plans and sections required under these rules shall be maintained up to date [showing also the respective proposal of approved mining plan for various activities pertaining to that year, within three months] in case of category 'A' mines as referred to in clause (a) of sub-rule (2) of rule 55. It was observed during inspection that the same have not been maintained as per the provision of this rule.

02. In this connection. It is brought to your notice that violation of the above Rule constitutes an offence punishable under Rule 62 of MCDR, 2017.

03. The mining operations can be suspended under rule 11(2), if compliance of rule 11(1) is not found satisfactory.
04. You are advised to rectify the above violations immediately and intimate the position to this office **within 45 (Forty Five) days** from the date of issue of this letter.

Yours faithfully,

Sd/-

(K. Srinivas)

Jr. Mining Geologist
Indian Bureau of Mines
