CURRENT CONTENT

(Technical Journals)

(A Monthly Current Awareness Service from Technical Journals)

Vol. 08 No. 07, July, 2024

The Central Library, IBM, Nagpur is subscribing the technical journals and also receiving them on complimentary basis on various subjects like Geology, Mining, Mineral Economics etc. These Technical Journals make up an important collection of latest scientific information. The library is rendering Reference Service to its users from these technical Journals (Article Indexing is one of them). Central Library, IBM provides Current Content Service from these technical journals in the name of "GEM" since 2006 on half yearly basis in print form. To expand this service to the IBM Offices all over India i.e. H.Q., Zonal & Regional Offices and to take a call of time, the Controller General, IBM desired to make this service online on monthly basis. The library staff made efforts to make it successful. This is the combined 7th issue of Volume-8 for this service named "तकनीकी पत्रिका विषय - सूची" (Current Content- A Monthly Current Awareness Service from Technical Journals) Vol. 08 No.07, July, 2024.

It will be highly appreciated if the valuable feedback is reciprocated. If some article as per content list is found to be of use by the reader the same may be requested and the library will send the scanned copy of the article to the interested reader.

WORLD ENVIRONMENT DAY SPECIAL

COVER STORY

24

Alarming spread of plant diseases poses threats to global food security

08 Digest

Women in Madhya Pradesh revive indigenous crop varieties

12 General elections 2024

Local issues play decisive role in poll outcomes

16 Forest fire

Emissions due to forest blazes largely underestimated

42 Factsheet

Cardiovascular, respiratory infections behind nearly half the deaths in India in 2021

44 Patently Absurd

WIPO's treaty on genetic resources may override safeguards in India's patent law

48 Interview

Venki Ramakrishnan on the research to resist ageing, death

54 Food

Betel leaves lend themselves to several traditional recipes

58 Civil Lines

Mounting global debt restrains development spending

Cover

Geological map of Gujarat modified after Chaudhuri et al. (2020). Different limestone sampling sites are marked by white solid stars. Mega fossil-rich limestones are collected from sites a and b (Chhasara Formation), foraminiferal limestone, and fossil-depleted limestones are collected from site c (Fulra Limestone Formation) and d (Habo dome), respectively. For details see pages 971-980.
