Subject: Violation of provisions of MCDR, 2017, in respect of your Joda West Iron and Manganese Mine (40ORI08019) over an area of 1437.719 Ha. in Joda, Kamarjoda, Bichhakundi, Banspani, Bhuyan Roida and Baitarani RF Village, Taluka- Barbil, Keonjhar district of Odisha State.

Sir,

The following provisions of MCDR 2017 were found violated in your above mine during the inspection carried out on 12th December 2024 by the undersigned along in presence of the mine officials Shri B.R. Das, Senior Manager (Mining) and other mine officials.

| Rule | Nature of Violation / उल्लंघन के प्रकार का ब्यौरा |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 12(4) | During the inspection it is observed that potentially mineralized has not been completely covered under G1 category within 5 years of commencement of MCDR 2017. |
| 31(4) | During inspection it was observed that the upto date plans and sections were not found to be maintained. |
| 45(7) | On scrutiny of Annual Return submitted for FY 2023-24 following discrepancy has been observed: 1. It is observed that the work done under progressive mine closure has been shown as "Nil" whereas during inspection it was observed that various activities under progressive mine closure viz. plantation, etc have been carried out. |

02. In this connection, it is brought to your notice that the above violations constitute an offence punishable under Rule 62 of Mineral Conservation and Development Rules, 2017.

03. You are advised to rectify the violation immediately and intimate the position to this office within a period of 45 (Forty five) days from the date of issue of this letter.
