विषय/Sub: Violation of provisions of Mineral Conservation and Development Rules, 2017, in respect to Umba Limestone mine (7.69 hectare) Mine Code 38GUJ08132 in District Gir-Somnath of Gujarat State.

महोदय/Sir,

The undersigned has inspected your aforesaid mine in the presence of Mr. Satish Trivedi, nominated owner and other Government officials on 18.09.2024. Following provisions of MCDR 2017 were found violated in your mines.

नियम स.	पाए गए उल्लंघन की विस्तृत प्रकृति
21(2)	The holder of a mining lease shall send to the authorised officer, as the case may be, a notice in Form D of the Schedule of his intention to abandon a mine so as to reach them at least ninety days before the intended date of such abandonment, which shall be accompanied by plans and sections on a scale as specified in rule 31 setting forth accurately the work done in the mine up to the time of submission of the notice including the measures envisaged for the protection of the abandoned mine or part thereof, the approaches thereto and the environment. In your case, it is found that you have not submitted the Form D along with requisite plans and sections etc.
21(4)	The holder of a mining lease shall not abandon a mine unless a final mine closure plan duly approved by the competent authority, is implemented, and for this purpose, the lessee shall be required to obtain a certificate from the authorised officer, as the case may be, to the effect that protective, reclamation and rehabilitation work in accordance with the final mine closure plan or with such modifications as approved by the competent authority have been carried out before abandonment of mine. In your case, the proposals of approved Final Mine Closure Plan have not found implemented.
26(1)	The holder of a mining lease shall have the responsibility to ensure that the protective measures including reclamation and rehabilitation works have been carried out in accordance with the approved mine closure plan or with such modifications as approved by the competent authority, but in your case you are found in violation of the rule 26(1) by virtue of failure to implement the following

I/39936/2024

approved FMCP proposals;

(i) According to point No. 5.2 of the approved final mine closure plan, it was proposed to plant 800 No. plants during the year 2024-25 (22.09.2024) but at the time of inspection it was found that proposed plantation has not been carried out.

(ii) According to point No. 5.2 of the approved final mine closure plan, it was proposed to carry out 2314 m barbed wire-fencing around pit & plantation during the year 2024-25 (22.09.2024) but at the time of inspection it was found that proposed fencing has not been carried out.

2. In this connection, it is brought to your kind notice that ;
 - a) The above violations constitute an offence punishable under Rule 62 of MCDR 2017 and/or;
3. You are advised to rectify the above violation of above Rules immediately and intimate the compliance position to this office, within a period of 30 days for violated rules from date of issue of this letter.
4. This letter is being issued with the approval of Regional Controller of Mines.

भवदीय /Yours faithfully
